SCOTT PULLEN
1950-1967

In Memoriam

The untimely death of Scott Pullen on February 6, 1967 was felt by all who knew him.

Scott was an intelligent boy and active even up to his death. His grades and test scores made him a credit to the class of 68. Born here in Hinsdale, in January, 1950, Scott was typical of the bright and well-rounded student of Hinsdale.

His short, two and one-half years here were filled with such studies as English, World and American history, biology and chemistry, geometry and accelerated algebra, Varsity Band, and two years of French.

Scott had hopes of attending college either on the east or west coast. Two preliminary college tests showed he would have had an excellent chance anywhere.

Above all, Scott was the epitome of every student at HT. Through him, are projected the type of students HT has and what a student can do for his school. Both those people who did or did not know Scott can profit by the accomplishments he made in his seventeen years of life.

"I am the resurrection and the life; he that believeth in me, though he were dead, yet shall he live, and whosoever liveth and believeth in me shall never die." John 11: 25-26

DEDICATION-1967

Miss Hadish confers with a girl on scheduling for next year.

Always ready to stop and help anyone with their problems.

MISS HELEN HADISH

The woman whose warm and friendly character is evident in her walk and smile on her face is Miss Helen Hadish. On her behalf, the class of 1967 dedicated this yearbook to her.

Miss Hadish was born in Waterloo, Iowa, where she attended West Waterloo High School and was valedictorian. She attended the University of Iowa where she received her B.A. in romance languages and her M.A. in education. She also attended the universities of Wisconsin and Colorado for graduate work. During World War II Miss Hadish devoted three years to the army-starting as a WAAC private and finishing as a WAC captain. Purdue University prepared her for army personnel work.

The fall of 1946 found our dean starting a long and we all hope rewarding career at HT. She taught English, French, Latin, and Spanish to many former graduates at HT and students in Ames, Iowa at their high school. In 1953, she combined both her teaching experience and tremendous professional enthusiasm to become HT's first and only Dean of Girls.

For thirteen years, (1950-1963), Miss Hadish was one of SC's (now SA) sponsors. She remarked when first starting, that she knew nothing about it. She "grew to love it terrifically" as she worked with it, but by 1963 felt that students needed a change of blood so to speak. Miss Hadish firmly believed that SC was a real area for the development of a student whether as a leader or follower.

Under her guidance the West Suburban Association of Student Councils was organized. Also, while Miss Hadish sponsored SC, three presidents, three secretaries, and one treasurer have come HT to serve the Illinois Association of Student Councils. Other accomplishments of this lady's have been: sponsor for the Foreign Student Committee and acting debut in 1959 in Variety Show. Miss Carolyn Wagner and Miss Hadish received the award for being best suited for their roles.

In her spare time, our dean enjoys traveling, and collecting antique furniture and glass. She especially enjoys desserts and Chinese foods, archaelogical and mystery books, jewelry, and HT, of course! She detests raisin or custard pie, liver and tongue. After leaving HT, she is planning to retire in Denver, Colorado.

Miss Hadish has a great philosophy for daily living that seems to have worked for her well in all her years here-"to take each day as it comes and not to take her problems home with her at the end of each work day."

Words can never express our appreciation. Her long time friends will never forget her or her dedication to HT. And all of HT's students, girls in particular, will never forget those few kind words of advice or greeting in the hall. In the words of an old time pro, "Thanks for the memories, Miss Hadish!"

STUDENT COUNCIL

Representative Assembly, Student Council's lower house, was presided over by the Speaker of the House, Ron Lipinski. The RA combined its efforts to build up the treasury with those of the Senate.

Early in the year, they sponsored the Fizzies Festival where both the gym and pool were opened in addition to a band in the cafeteria. In order to raise money for A.F.S., HT was introduced to a new idea, Penny Pinching, and also the proceeds from the Ugly Man Contest. Another new project was the Computer Dance which came off in February, after being postponed because of the big snow. The Council sold Teen Concert tickets and provided buses for students.

Aside from money-making projects, RA was sponsoring many other activities. Its biggest project all year was the planning and supervision of the Homecoming Parade and Floats, both under the direction of the Vice-President, Joann Poshka. At the beginning of the year, a committee was formed to put out the annual Student Directory. The work done under Committee Chairman Lucy Moore made a $350 profit for the Council. Also, a new and more effective Newcomers program was started which introduced new students to the school with a party. As Christmas time rolled around, the four classes and fourth period classes decorated the school in Yuletide spirit. The Class of '68 won the competition for the Hall Division. RA's main spring activity was setting up the Elections for RA officers, senators, and class officers.

The senate moved smoothly through its second year of existence under the leadership of Vice-President Joan Poshka and the guidance of Mr. Wingler, sponsor.

Meeting every Tuesday, the senators carried out their purpose of keeping the communication lines open between the four classes. The senators reported on the events of each class Board meeting to the senate and relayed Student Council news to Class Boards.

This year, the senate started a new system of three standing committees: Administration Relations, Finance, and Rules. The AR was in charge of reviewing any bill that concerned the school or students. Finance investigated all bills which had to do with Student Council's money. Rules committee set up all the rules by which the senate abided. Despite some criticism, the committee system accomplished its desired effect which was to provide a thorough investigation of each bill.

The Senate's only project this year was to direct the election proceedings of both Student Council and Classes.

The Senior senators were: Jim Ashley, Nancy Engler, Lisa Johnson and Mark Pielsticker. The Juniors were: Kim Albright, Barry Dehnert, Suki Monroe, and Bonnie Zeh. Sophomores were: Kim Angelo, John Beem, Sue Holland and Bob Rossbach. Frosh senators were: Lisa Davis, Dan Dale, Cornelia Hoatson, and Brian Skale.

Sarah McElhone, a junior and secretary to the Senate, moved to Conneticut at the end of the first semester. Her successor, Danielle Havel, handled the responsibilities of secretary.

STUDENT COUNCIL

The **Executive Board** directed many projects throughout this past year. Starting early in May 1966, the Board worked on the budget and plans for the new year, 1966-67. In second semester the Executive Board had a change of secretaries. Danielle Havel was sworn into office when Sarah McElhone moved to Conneticut. Margie Radcliffe filled in for Barb Olsen who took a leave of absence. Throughout the year, Exec Board planned and published weekly agendas and minutes of the Legislative meetings.

The Board includes: Ed Holland, Pres.; Joann Poshka, Vice-President; Barb Olsen, Sec. to RA; Sarah McElhone, Sec. to Senate; John Eisel, Treasurer; Ned Ledding, Soc. Ch.; Betty Drennan, Parliamentarian; and Ron Lipinski, Speaker of the House.

Although the President's Council has been in existence for three years, this is the first year it has actually served a "purpose". According to Eddie Holland, president of the Student Association, and chairman of the Council, this purpose is "to coordinate and help plan activities, mixers, money-raising projects, etc., throughout the school".

Members of the Council and their organizations are: D. D. Campbell, Freshman Class; Chris Porterfield, Sophomore Class; Brian McKinney, Junior Class; Marty Coultrap, Guard; Paula Bowling, G.A.A.; Jan Blunt, F.T.A.; Liz Ely, Varsity Club; Parker Wellington, H-Club; Ron Lipinski, National Honor Society; Kathy Daniel, German Club; Mark Denekas, Band; Scott Simundza, Tri-M; and Mary Van Vleck, G.R.

AMERICAN FIELD SERVICE

The Student Committee of A.F.S. is composed of one chairman, Bob Olney, and H.T.'s student abroad, Marty Kilander, and H.T.'s foreign students Sharman Thompson and Juan Leon Torres. Members of Representative Assembly help on the committee. Its responsibilities are the following:

1. to help the foreign student feel at home.
2. to raise money for the foreign student and the A.F.S. student.
3. to plan publicity--Courier, posters, etc.
4. to distribute A.F.S. applications.
5. to help interview A.F.S. candidates.
6. to attend Selection Committee meetings.
7. to help arrange school assemblies.
8. to plan activities where all foreign students in the area may meet.
9. to encourage interest in A.F.S.
10. to keep a file or record of all A.F.S. activities.

FOREIGN EXCHANGE STUDENT

Jose Leon "Pepe" Torres, this year's foreign exchange student from the American Field Service, is one of HT's most exciting members. An expert at the Flaminco guitar and at ping-pong, Pepe takes a part in numerous school and church activities and at the same time carries a heavy academic load: Calculus, physics, American history, and English.

From Madrid, Spain, Pepe was hand-picked from hundreds of applicants by a series of selective exams. He applied for his American trip in the October of 1965. That November he took an English exam followed by a personality test in January. When asked why he wanted to come to the United States, Pepe answered, "I want to meet and know people. I want to learn new ideas and bring them back to Spain."

Staying at the home of senior Paul Mertz and living "americano" style is a far cry from his high rise apartment in the center of bustling Madrid. His Spanish high school sharply contrasts HT— no girls and no extracurricular activities make it a true institute of learning.

The Spaniards are an easy-going people. Pepe's Madrid high school starts classes at 9:30. Lunch there isn't a 30 minute rat race, but three long hours from 1:00 to 4:00. Classes resume at 4:00, and the final bell rings at 8:00 in the evening. Saturday is a school day, compensating for the four-month long summer vacation.

Pepe seems to enjoy the American dating system. In Spain dating is done strictly in groups during the summer vacation months. If you date alone, it means that you are planning to marry the girl (which won't occur until you're at least 25!)

We at HT are proud to have Pepe Torres with us; we wish him luck in his future endeavors, and ask him to remember us as we will remember him.

Pepe Torres

Sharman Thompson

DOMESTIC EXCHANGE STUDENT

Hawaii's Sharman Thompson is HT's domestic exchange student for the 1966-67 school year. She is residing in the home of Mr. and Mrs. Seigfried Kilander, while the Kilander's daughter, Marty, is back in Hawaii with Sharman's family.

A junior, Sharman spent her freshman and sophomore years at the high school Kamehameha (ka-ma-ha-ma-ha) on the island of Oahu. It, too, is a "football school," and their team, the "Warriors," is one of the top teams in the state.

Hawaiian high school football is played-up in a very big way. College football is practically non-existent, since the University of Hawaii has trouble finding big college teams with which to compete. But because football is popular there, many high school games are televised, adding excitement, rivalry, and pressure to these games.

Sharman, unlike Pepe, has no trouble adjusting to HT's co-educational system, as her own high school turned co-ed two years ago. The school, with 2500 students, is about the same size as HT and offers various social activities. There are many dances climaxed by a junior prom and a senior ball held in one of the big hotels at the end of the school year.

Kamehameha, however, differs in many ways from Hinsdale. It is a boarding school and includes the elementary grades. Lunch is served "family style" complete with hostess and waitress, in comparison to HT's first-come-first-serve-stand-in-line cafeteria.

HT welcomes Sharman Thompson; we will be sorry to see her leave.

DEBATE

Debating develops a logical mind, poise, initiative, and ability in extemporaneous and prepared speaking. Sixteen students, mainly freshmen and sophomores, have grown in each of these qualities as participating members of HT's Debate Team.

Teams competing in the Academic Debate League and the West Suburban Conference League debated on the question: "Resolved: That the foreign aid program of the United States should be limited to non-military assistance." Under the sponsorship of Mrs. Virginia Dailey and Miss Marilea Paddison, the novice debaters were able to place first in the Academic Debate League while the varsity debaters placed third.

With the evident enthusiasm shown by this year's team, we predict that HT will soon occupy a prominent position in interscholastic competition.

Novice Debate: Seated: P. Collins, L. Foltz. Standing: W. Horeni, R. Dahlin, T. Ashford.

LIBRARY ASSISTANTS

Library assistants perform the duties which help HT's library to function properly and efficiently for its students. Having given up their study halls, these diligent workers are asked, among other things, to check the "out" and "in" books and replace them on their correct shelves, deliver notices, and assist in the new periodical room.

NATIONAL HONOR SOCIETY

Members for this year's National Honor Society were selected by the faculty, from those students receiving a 4.0 grade average, or better, and on the basis of character, citizenship, and service. The officers for 1966-67 were: Ron Lipinski, president; John Eisel, vice president; Marty Coultrap, secretary; and Scott Simundza, treasurer. PUBLICATIONS

The **Courier** started out with a bang when students received an issue on the first day of school. Combining the fearless leadership of Editor-in-chief, Phil Snyder, and the outstanding talents of the other editors, the newspaper increased in pages and quality. Bob Stickler, second in command, was Managing Editor, overseeing the front and editorial pages. The new columns, Council Chronicles and Pacesetters, plus the ol' faithfuls, Letters to the Editor and the profound editorials, made up the editorial page under Gretchen Grimm. This year the newspaper had a fine sports page under the direction of Steve Young. The ads this year have never taken up so many column inches, thanks to the hard work of Ad Manager Chip Ashley, and his staff. In the fall, the **Courier** sponsored the first mixer of the basketball season, replenishing the small **Courier** fund, which was guarded by Henry Doering, Business Manager. The other editors included Dana Plank, John Mendenhall, Greg Wolf, and John Wegner. Although the editors guide the newspaper along, the reporters and other staff workers are the real backbone of the organization. The hours the students worked were many, but it was worth it (so they said). The sponsor of the organization was Mr. J. Mach.

Row 1: J. Wegner, G. Wolf, M. Schumar, R. Hampel, J. Mendenhall.

The **EL DIABLO,** Hinsdale's yearbook, is very well named, for it's a devil of a job. Starting before the school year, the staff set the standards for the coming publication. With Lynda Nutt as the Editor, the yearbook covered all activities ranging from Homecoming to baseball. The book's size was increased from 164 to 232 pages, a growth of 78 pages. In addition, there was an entire section of color candids from many of the fall events. The hard-working staff worked the whole year taking pictures, writing copy, doing layout, and adding the finishing touches. The Advanced Journalism class, along with the staff worked who learned a great deal and helped tremendously. Everyone, including Mr. J. Mach, the sponsor, agreed that the experience was both fun and exciting.

IMAGE

HT students responded to Image's call for essays, drawings, poems, short stories, and photographs with over 100 contributions. The best of those were printed in a winter issue, focusing on Chicago, and in a spring issue. This year's printed issues with photographs gave a new look to the magazine and represented another step in the comeback from the one-page Courier-printed Image of two years ago.

"Image" is an all student publication for all students. "Image" offers the student body, as a whole, the chance to have their writings published. Miss Linda Bergsten is this year's faculty advisor.

Image earns money for publication of the magazine through money received from selling "Images".

Image staff usually meets once a week on Wednesdays or whenever necessary. There are no officers as such, but the head of the staff is Carolyn Roorda, Doug Roemer is head of publicity and Nick Vandermeulen is director of art.

Standing: L. Johnston, J. Appel, J. Whitelaw, S. Marcouillier, N. Scott. Seated: C. Roorda.

JUNIOR ACHIEVEMENT

The purpose of JA is "to learn the principles of business and to gain experience by working."

There are six companies at HT and they are sponsored by the various companies which back them.

Each company has its own president and board which controls and regulates their individual company.

Seated: R. Engelkemeier, J. Cudworth, Paul Larson. Standing: J. Qualkinbush, T. Redman, T. Barnard, C. Kubitschek.

BRIDGE CLUB

One of the newest clubs, Bridge Club has rapidly become a popular one. Meetings are held Thursdays at 3 o'clock in room 102 under the direction of Mr. Arthur Beyer. The club claims only 28 official members, but a peek into the room on a Thursday will reveal closer to 40 people playing and a few kibitzers here and there. For those interested in learning, Mr. Beyer is always happy to give some basic fundamentals. The atmosphere is to be found friendly and enjoyable, while learning a valuable pastime for future years.

This year's officers were: Tom Barnard, president; Kathy White, vice-president; Tim Redman, secretary; Craig Kubitschek, treasurer; and Pat Anderson, social chairman.

1st row: M. Smith, J. Gibson. 2nd row: L. Sirinek, J. Burke. 3rd row: J. Shoemaker, R. Rayner.

HOME EC

The purpose of Home Economics Club is "to broaden interest in many fields of home economics and to develop girls socially."

Home Ec which is under the direction of Miss Bauer meets on the first and third Wednesdays of every month. There are approximately 20 members in this club and each member must pay 25 cents dues.

Home Ec has been trying to raise money through sales for a scholarship which will be given next year or the following year.

Thatcher, social chairman. The sponsors are A. Christianson, L. Gawlik, and J. Patzelt.

GIRLS' RESERVES

Girls Reserves is H.T.'s largest girls' club, with over 700 members. Each girl is invited to join and become an active member, either by running for the Board or by working on a committee. Meetings are held weekly, and all members are welcome.

G.R.'s major purpose is service to, both the school and the community. Each year a Big and Little Sister program is created to acquaint the freshman girls with the new high school. G.R. also provides ushers and guides for certain school functions. The Service Committee has organized two service projects: one to decorate the children's ward at the hospital, and another to decorate and carol at a retirement home.

The climax of this year is the Spring Formal, Illusions, on April 8th. This is the major money-making project for the scholarships that are presented to hard-working senior women in appreciation of their dedication to the club.

VARSITY CLUB

Throughout the long school year, Varsity Club is promoting pep and spirit at H.T. The whole student body is urged to be an active member; but for those who find it difficult, there is a Board, consisting of two members from each class.

The big annual project of the club is the organizing of the Homecoming dance. Bewitched, was the name of the dance; autumn was the theme. Also under the responsibility of V.C. is the selection of the Homecoming Queen and her court, and the building of the queen's float.

Many other projects keep the board busy. All pep rallies, Pep Week, concessions at basketball games, track queen and court, the selling of buttons and shakeroos, and publicity for all the athletic events, are the ones Varsity Club sponsors. In addition, the cheerleaders and pompon girls are sponsored by the club. This year's officers were: L. Ely, president; J. Layman, vice-president; P. Danly, treasurer; M. Haarlow, secretary; B. Halladay and M. Jones, social chairmen. The sponsor was J. Wahlgren.

BUSINESS CLUB

Business Club, consisting of from 40 members, had a very active school year under the direction of Mrs. Eleanor Dorway.

This year's officers were: Mary Church, president; Diane Cuma, secretary; Nancy Hogrefe, treasurer; and Annette AuBuchon, social chairman. With their help, this year, Business Club heard speakers from International Harvester, Electro Motive, Illinois Bell Telephone, Patricia Stevens, Mrs. Olsen from the Oak Brook Plaza, and a court reporter.

Business Club had two money making projects during the year, the candy cane sale just before Christmas, and a candy sale before final exams.

COURTESY CAR CLUB

The purpose of CCC as stated in the honor code, "is to instill a greater sense of responsibility in all drivers and thereby prevent many of the unnecessary and avoidable accidents, injuries, and deaths upon the highways."

CCC is under the direction of Coach James Rexilius. To become a member of CCC, one must pass a written exam, which emphasizes thoughtfulness, consideration, courtesy, and caution for all drivers in motor vehicles. This year's officers were: Bryan Butler, president; Mike Kozak, vice-president; Willie Severson, treasurer; and Nancy Huber, secretary.

FUTURE TEACHERS OF AMERICA

The purpose of Future Teachers of America, as stated by Mrs. Mary Anderson, sponsor of the program, is, "to help high school students explore their interest in teaching and to encourage students to become teachers."

There are 100 members in FTA, which meets every Monday, and which also has an open meeting every month in the speech lab or community room.

Members of FTA sold football programs at all the home games, and the club sponsored a peanut brittle sale, a potluck dinner, a basketball mixer, and a tutoring program.

All juniors and senior students belonging to FTA are eligible for cadet teaching in one of the elementary schools in the Hinsdale or Clarendon Hills area. Some of the students attended a work shop at Oak Lawn this year to learn and observe TV teaching, team teaching, and use of visual aids. This year some of the girls were sent to a special education conference. These girls were allowed to observe classes for exceptional children during this time.

There was a membership drive from September 26 through 30. Anyone having an interest in exploring the possibility of becoming a teacher is welcome to join. Dues for the club are 35 cents.

Officers this year were Jan Blunt, president; Susan Andres, Pat Anderson, Jan Jaeger, Donna Gundell, Cheryl Ostrihan and Carol Smetana.

SPANISH CLUB

To provide insight into the cultural aspects of the Latin American countries for all interested students, Spanish Club, along with their sponsor Miss Frost, organized such activities as trip to a Mexican restaurant, a trip to the Ballet Folklorico, and the Christmas Fiesta.

FRENCH CLUB

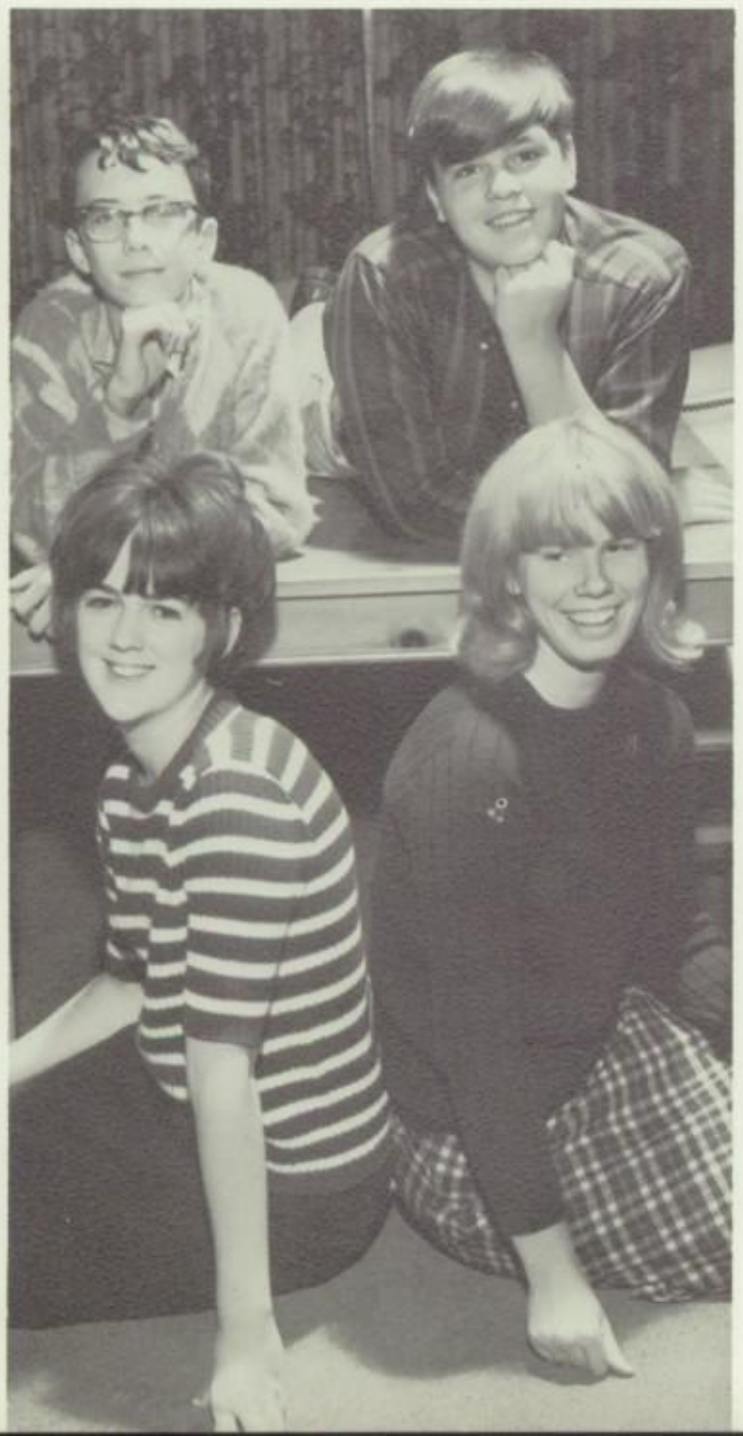
Le Cercle Français, known to most people as the French Club, started their active year with a very sweet Tootsie Roll Pop sale in the fall. Then, in December, their ingenious idea of selling mistletoe livened up our hallowed halls. Getting back to the more important business, these Frenchmen saw a film on radio astronomy and wound up their year with a journey to Old Town and dinner in a French restaurant. The club sponsor was Mr. Simonian.

Front: A. Hartley, Secretary. Middle: M. Addington, Social Chairman; B. Fletcher, Vice-President; J. Thompson, President. Back: J. Koenig, Treasurer.

RUSSIAN CLUB

The Russian Club of H. T. is dedicated to an attempt at a Russian take-over of the school. The treasury was increased by two candy sales, and a showing of the Russian film, "The Cranes Are Flying." The club also planned a program in the spring featuring the Kalinka Dancers, and the Saint's Peter and Paul Choir. Under President Cliff Thompson's guidance, the club met weekly in room 214. Other officers were: Dave Lowe, vice-president; Dave Dean, treasurer; Carol Overman, secretary; and Dana Vargo, social chairman. The club sponsor was Mrs. Glowacki.

Front: C. Overman, D. Rowe
Back: D. Dean



GERMAN CLUB

The German Club, trying to stimulate interest in Germany and in the German language, sponsored an Autumn Festival, (in which many German students demonstrated their talents) a German Fasching Ball and a trip to Chicago for a German movie and dinner. Sponsoring these active Germans were Mrs. Hoover and Mrs. Bosman.

LATIN CLUB

Latin Club was organized to promote interest in Latin, and to give students a chance to apply their knowledge.

Under the able leadership of Alice Heidenreich, president, Mary Heidenreich, vice-president, Vicky Robson, secretary, and Sue Behnke, treasurer, Latin Club has sponsored a breakfast commemorating the death of Cicero and the annual Roman Banquet.

This year Latin Club has an active membership of 20 students. The one requirement to membership in Latin Club is to be presently taking Latin.

The club has to cope with the problem of promoting club interest with so few members. To solve this problem, two senators are elected from each Latin class, attend each meeting and report back to the class with the club's activities.

This year Latin Club, Spanish Club, and Russian Club teamed together to build the Language Club Float. The float was entered in the $55. and under division won first place.

Sponsors of Latin Club are, Miss Finnegan, and Mr. Paris.

Seated: J. Pipek. Standing: J. Shuman, T. Haythorn, P. Nordestrom.

RADIO CLUB

The main drive of Radio Club this year, was to organize theory and code classes on the fundamentals of radio broadcasting.

The active membership of 10 students found its leadership from, Pete Nordestrom, President, Joe Pipek, Vice President, Jan Lovitt, Secretary, and Thom Haythorn, Treasurer.

After obtaining the 60 foot broadcasting tower in November of 1965, this year's goal was to buy a powerful receiving set to receive stations of the entire world.

The Radio Club has a unique method of confirming contacts with other ham radio operators, after making contact with them while scaning the radio band, it sent the station call number card to the contact; in return the contact sends his call number card. A large collection of these cards can be viewed across the hall from Mr. Felds room, the Club sponsor.

Mr. Feld has devoted much time and his equipment for use by the Radio Club, he is often seen trying to contact foreign stations during class time, after giving a long assignment to his class and a sharp reprimand to keep silent.

CHESS CLUB

Many people feel that chess is a dull and uninteresting game, but the Hinsdale Chess Club is out to destroy that reasoning.

Every Tuesday afternoon, the forty or so members gather to match their wits over this game of kings. The sponsor, Mr. Halm, in room 101 helps all the members develop their game. Members range in ability from the beginners to the novices to the ol' pros.

Unknown to many, there is a chess season simular to a sports season. Competition is very tough and fascinating to watch. The Hinsdale Chess team plays many schools in our conference and others that are surrounding our area, such as La Grange, Downers Grove South, Hinsdale South, Fenwick, and DePaul Academy.

The chess players that play very well, may go on to the preliminary, regional, and national tournaments. Players may win valuable prizes if they win. The prizes that goes to the state champion is a four-year scholarship.

The Chess Club at Hinsdale gives to H.T. students a chance to develop clear and quick minds as well as friends.

PHOTOGRAPHY CLUB

Under the supervision of Mr. Capps and Mr. Bull, the Photography Club, a fairly new club, has practically taken the lead as one of the most talented and creative clubs at Hinsdale Central. The club is really an away-from-school project for most of its members, because a wider variety of subject matter can be found away from school.

As shown by the picture at left, many weird camera effects are originated and experimented with in the club. Also, special effects in developing film certain ways are worked with. The club keeps up with the newest equipment in cameras and developing material.

During the early part of the school year, the boys entered some of their better photographs in the national contest. One picture had Marcia Theidel as their model. Around this time an all-school photo contest was proposed. We can look forward to this in the coming future. Hinsdale can really be proud of this fine club of talented photographers.

The president was Gordan Brown and the sponsors were Mr. Capps and Mr. Bull.

ADVANCED MATH CLUB

Another up and coming club is the Advanced Mathematics Club. Getting more talented students every year, the club is expanding to new proportions.

Most of the girls and boys are students who have excelled in mathematics and would like a chance to better use their knowledge by solving and analyzing problems.

As mathematics is becoming increasingly important in the fields of science and computers, this club will benefit these young people and their future.

The group of girls and boys who scurry around during school to deliver various audio-visual materials are collectively known as the Audio-Visual Monitors. Besides delivering the materials they also run the films and pop up screens.

Although most of their time is spent delivering and caring for the projectors, the students learn while doing. Those who wish to be teachers, and even those who don't, will find the knowledge of audio-visual materials very handy in their future, whether in the teaching or business field.

With the audio-visual department becoming as important as ever here at Hinsdale Central, these young adults help our teachers tremendously to present the newest ideas in learning.

Mr. Murphy, the audio-visual department head, helps the monitors.

YOUTH CITIZENS' ASSOCIATION

The Y.C.A. was organized three years ago to give the area youth an opportunity to discuss their problems and to find possible solutions to them.

One of the committees of the Y.C.A., the Hinsdale and Clarendon Hills Youth Jury, was organized to correct youth offenders. The Youth Jury was one of the first to be established in the U.S., since its beginning in 1963, it has heard over 150 cases of youth violators involved in vandalism, drinking, and theft. Under the Youth Jury system, a youth does not establish a criminal record which might hinder him in later life.

The Recreation Committee, another committee of the Y.C.A., sponsors mixers throughout the school year, and sponsors hayrides, dunes trips during the spring, summer, and fall. During the summer, the Recreation Committee has sponsored the Teen Tent at the American Legion Fourth of July Carnival.

Other committees of the Y.C.A. include, the Bicycle Drivers Education Session, which teaches bicycle rule offenders the correct way to drive. The Program Committee, which conducts panel discussions and seminars on community problems. The Membership Committee, which sponsors membership drives for new members and orinates them with the organization. The Publicity Committee which conducts the publicity of the various committees projects.

This year, the Y.C.A. has set up a Council of Church Organizations, in which the combined power, money, and membership can sponsor larger projects than a sole club. The Y.C.A. supplies the secretarial and leadership for the Council.

The membership of 130 students find its able leadership from, officers: Robert Hampel, President, Barry Depner, Vice-President, Marty Hager, Recording Secretary, Judy Gardiner, Corresponding Secretary, and William Havranek, Public Relations Director. Directors: Joel Johnson, Membership, Sue Head, Recreation, William Schweitzer, Youth Jury, Jane Palmer, Program, and Kathy Kreher, Bicycle Education.

YOUTH CENTER

This year was the year for progress in Youth Center. Bands now play twice a week, and every second and fourth week a big name band played in the auditorium.

Membership of Youth Center consists of 1,800 students from Hinsdale Central and Hinsdale South, membership cards now cost $5.00 and were made of plastic, to be 'indestructible.'

Youth Center Board members got down to discussion with the Community House and various other adult boards to discuss plans for a new and larger building. Plans have been hampered by lack of available land, but Youth Center has the money and interest to expand their facilities.

A new project started this year is the Class Capers, members of each class try to win points and money for their class by winning in boys and girls pie eating contests, tricycle races, and ping pong ball pushing contests. This year's award is $25. for the class who has the most points.

This year's Youth Center members find their leadership from, Steve Lewis, President, Ken Koranda, Vice-President, Bill Trask, Treasurer, Linda Larsen, Recording Secretary, and Marilyn Reeves, Corresponding Secretary.

Fourth year art students decided they would like to form an organization to culture their interests in advertising, commercial and freelance art along with painting and individual projects so Art Association was born. Group meetings were informally planned and executed but this didn't seem to hinder the association's accomplishments. Involved discussions about the assets of Op and Pop art, art surrealism vs. realism, and old as opposed to contemporary artist's qualities became popular subjects. They visited the Chicago Art Institute to further their art appreciation and exhibited their own paintings. As an aid to the school's clubs and organizations the artists designed and painted the advertising posters for Tri-M, the school plays, computer dance Guard Show and many others. Modestly they admit to having a big hand in the Christmas display set up in the Community room this year. Future plans include a membership drive to get some underclass art students to participate and possibly make Art Association a permanent institution at HT.

Performing with the arts of blending and interpretation were the goals of this year's Concert Choir. Under the direction of Mrs. Doris Osmund, the choir sang at Sunday Concerts, HT Assemblies, and for the Junior High this Spring.

The music that the choir sings is usually varied with traditionals and popular songs, but often produces new and different songs. The idea here is to provide listeners with something fresh. This effect is achieved through Mrs. Osmond's skill and her many hours of practice with the choir.

The Concert Choir prepares for its Christmas and Spring Concerts one hour every day. On the Friday before a concert, a departmental rehearsal is held. This rehearsal is used to give a final polish to every number and to accustom the singers to the stage, lights, and the effect of the auditorium. Both the Winter and Spring concerts were excellent.

The biggest project of the Choral Department every year is the Operetta in the spring. This year's operetta was Brigadoon, written by Lerner and Lowe.

Work on the Operetta began after the Spring Concert, but rehearsals didn't start until one month before opening night. Many other schools start working on their operetta in September and have several directors. But because the choir's purpose is performance, HT had concerts as well as a fine production. It was, as always, completely directed and produced by Mrs. Osmond.

Each spring, new Concert Choir members are selected from chorus classes where students have learned the essential skills of singing.

MADRIGALS

A madrigal "ensemble," under strict interpretation of the word, is comprised of two people singing each part, this totaling eight boys and eight girls. Madrigal music is characterized by four and eight part harmony, often counterpoint, sung a cappella.

Hinsdale's Madrigals are the more advanced singets of the Vocal Music Department. Doris Osmond, director, selects the members from those students enrolled in Concert Choir, or others, who wish to audition for the group.

The ensemble does not limit the expressions of their talents to the madrigal discipline; in fact, they perform essentially all types of music. In addition to appearing in seasonal choral concerts and school assemblies, the group represents the music sounds of HT at various social functions within the area. This year, the ensemble was privileged to entertain the Board of Education Presidents during their convention stay at the Sheraton Hotel, in Chicago.

The Madrigals have been regular participants in the State Music Contest, bringing to HT, many first place ratings together with words of praise and appreciation.

TRI-M

M. Buege, F. Burton, J. Graettinger, C. White, S. Simundza.

Modern Music Masters, the national music honor society, is sponsored by Mrs. Doris Osmond, vocal music head, and meets once a month. The main function of Tri-M is to spread and publicize the appreciation of music in the school, church, and community. For entrance into the club, a student must be enrolled in the music department, vocal or instrumental, for at least one semester. He must maintain a B average in music and a C average in academic studies. He is then nominated to the club by the board, after which he must pass a written Tri-M Constitution test, and audition before being accepted as a member. Officers leading the organization through 1966-67 were: Scott Simundza, President; Cathy White, Vice-President; John Graettinger, Treasurer; Faith Burton, Secretary; and Marcia Buege, Historian.

The annual Tri-M Show highlights the club's activity calendar. This year's show, "Music Sounds at HT," differed from previous productions as it strongly resembled a musical play, rather than a mere recital of talents. Pepe Leon Torres playing some of his favorite Spanish guitar selections, the High Notes, the Madrigals, and a french horn solo by Mark Denekas were only a few of the contributors included in this unusual two-act musical play.

CONCERT BAND

This year, HT's top performing band, the Concert Band, reached a peak by being accepted at the Virginia Beach Music Festival at Virginia Beach, Virginia. Our band was chosen as one of twenty-five top bands in the US to compete for first place in the East-Mideastern region. Three concert pieces and a parade formation to music make-up the competition. The contest, which will be held from June 19 through 22, will again demonstrate the band's talents.

The Band's season started with the football halftime shows under the direction of Mr. Jerry Shipton. Adding color to the shows were the band's majorettes, Marcia Theidel, Jackie Appel, Kris Brandt, and Renee Hrubes. Drum Major Brad Mac Donald helped give the band excellent marching precision.

Three concerts, January, February, and April, Christmas caroling in the village, solo contest in February, district and state contest, the three-week candy sale in February, and an assembly in January either helped the band to raise the necessary funds for their Virginia Beach trip or made them the finest band around. One of the major reasons for the band's success is their director, Mr. Walter Nechoda.

The band is composed of three major sections: woodwinds, brass, and percussion, and nine minor sections: trombones, clarinets, percussion, lower woodwinds, soprano woodwinds, french horns, baritones, tubas, and trumpets. Most students start band in seventh grade and make concert band by their junior year. This year, about fifty freshmen and sophomores give that rule a large exception. Besides band itself, many students are also involved in orchestra, Hi-Notes, and Tri-M.

CONCERT ORCHESTRA

One of two outstanding groups in the HT Music Department is the Concert Orchestra. The seventy-two piece group is composed of seven first violins, six second violins, eight violas, fourteen cellos, five basses, four clarinets, four trumpets, four trombones, four flutes, two bass clarinets, three saxophones, three french horns, two snare drums, one tympani, and one marimba, one tube, two bassoons, two oboes, and one English horn.

Outstanding players this year include Mark Deneksas, french horn, one of the nation's top high school players. Mark is also a member of the West Suburban Symphony Orchestra. Other players include: John Bobek-bass, Faith Burton-viola, Jane Smaardyk-first violin, Sharon Hoppe-flute, Scott Simundza-trumpet, and Randy Garber-clarinet.

Throughout the year, the first place in state players are busy with such activities as district and state contest in April, two concerts, assemblies, and the new Concertante Chamber Orchestra. This new group is composed of fourteen outstanding string players. They are the featured portions of the concerts and assemblies throughout the year. The Operetta in May also will be musically accompanied by the Orchestra. Directing the orchestra through their busy year is Mr. Arnold Sklar and two private teachers, Mr. Victor Randell and Mrs. Ralph Meintz.

Most students start playing in orchestra in seventh grade. There, they are given musical tests as to their musical ability. The tests are scored from the student's responses to questions asked him about different piano keys and pitches. No one is really refused from orchestra on the seventh grade level unless ability is far below the average. So by the time the students who stay in orchestra from the start enter high school, they have had the necessary experience to give it the polish of perfection. Orchestra meets first period everyday and full orchestra (band instruments included) meets on Thursday. Together with the Concert Band, the Concert Orchestra makes the HT Music Department one of the best in the state.

HI NOTES

Hi-Notes, HT's stage band, is composed of some of the top musicians from the concert band and orchestra. The band has a library of over 300 modern jazz and dance arrangements at their command. The Hi Notes play throughout the year for concerts, dances, Tri-M Show, and Variety Show. Its main achievements is playing annually in the Chicagoland Stage Band Festival in which Hi-Notes has placed consistently among the top 5 of over 50 bands entered. This year in the Stage Band Contest at Oak Lawn the group placed first on the district level.

VARSITY CHEERLEADERS

Tension came to a peak last year on March 29, when the end of Varsity Cheerleading tryouts drew near. Approximately 30 sophomores and juniors were trying out at the end of a long week of workshops. Although any sophomore or junior, boy or girl who had a 3.0 average could tryout, only girls did.

During tryouts, each girl performed a cheer alone, and then with two other girls. Eight judges considered the following as each girl tried out: pep, cheerleading skill, personality, neat-appearance, jump, voice, and eye contact.

The next day, eight names were posted; six regulars and two alternates. The alternates job is just as big as the regulars because they must learn every cheer and each of the other cheerleaders' positions. The alternates are allowed to choose four games to cheer at during the year, and they automatically cheer at Homecoming and Dad's Day. They also substitute for girls who are absent the day of practice or the day of a game.

The cheerleaders purpose is to promote and sustain HT's spirit, pep, enthusiasm, and honor. Last summer the girls' spirit ranked first when they attended Cheerleading Summer Camp at Illinois State in Normal. In the final competition, HT's Varsity Cheerleaders were 2nd place.

VARSITY CROSS COUNTRY

The Harriers set a new world's record of . .

The Varsity Harriers had a 1-6-0 record this year, putting them in 8th place in the conference. Despite the bad season there were a few highlights, such as Hinsdale taking first place in the Aurora East Triangular and beating Downers Grove North 25-32.

But the biggest highlight of the season was the fact that the Harriers set a new world's record of 430 miles in 49 hours and one minute.

At 3:30 Friday Oct. 28 Dr. A pulled the trigger on his blank gun. Thus started the 430 mile marathon. All 54 cross-country athletes ran the first lap of one mile. After the first lap Chuck Busch Varsity's number one man, continued on alone. For the next two days there was always a runner on the course. Sunday about 3:30 PM the Harriers joined the marathon runner who was on duty. Ken Doerr, Varsity runner, had the best time of 22:03.

VARSITY FOOTBALL

Scoring a total of 179 points in conference competition while holding their opponents to 73, Hinsdale's 1966 Red Devil varsity football squad won five games, lost one, and tied one for a third place WSC finish. A win over New Trier in the season's opener brought Hinsdale's overall record to 6-1-1.

Official practice began last August 24 for the 1966 season, following weeks of individual conditioning by all team candidates. As the hours of hard work, conditioning, and general practice began to accumulate, head coach Harvey Dickinson and his assistants, Richard Ohl, James Rexilius, Gene Strode, and William Trescott, formulated three goals for the Red Devils, who were looking better and better as the days passed. According to Dickinson, his team was planning to go undefeated, win the West Suburban Conference, and be rated number one in the state.

Realizing Dickinson's a conservative coach, fans and spectators jammed Hinsdale's field on opening day against the Indians of New Trier, then expected to be one of the better teams in the state. Although the game was close throughout, the Red Devils pulled away in the fourth quarter and won, 27-21.

Hinsdale fans continued to support their probable championship team as they far outnumbered the home crowd of Maine East in the Devils' second encounter. Scaring Hinsdale into realization that they could be beaten, the Maine East Demons scored twice while holding the Devils scoreless in the first half. However, after quite a bit of prompting during halftime in the locker room, Hinsdale's tremendous offensive team scored 35 points while the defense held the Demons scoreless for a final score, 35-13.

The Devils hosted Downers Grove North the following week and as a result, retained the old oaken bucket for the sixteenth straight year by defeating the Trojans, 40-13.

Hinsdale now had a winning streak of three and the first glimpses of a number one state ranking are beginning to materialize. Chants of "We're number one!" filled the stands at Glenbard West the following Saturday afternoon before the Devils fell unceremoniously to a powerful Hilltopper squad 20-14. The only highlight to the dismal game was quarterback Doug Beitler's star passing attack as he completed 13 passes for 13 attempts.

Entering the final WSC game in a battle with York for third place, Hinsdale won 14-7 as Joe Ramey intercepted three passes. Coach Dickinson stated the four all-conference selections as well as the four honorable mentions were the boys that led the

team all season. Bill Dickinson, Bob Hess, John Imrie, and Ken Koranda, as well as Mike Kozak, Eric Bergstrom, Leroy Cahill, and Mark Winter, were the mainstay of the squad this year. In post-season honors, Dickinson was named as an all-stater.

"I think we had a good season if you look at the record (6-1-1), but personally I am a bit disappointed we didn't accomplish our goal of going undefeated", stated the coach. The top three teams in the WSC were separated by seven points and half a game.

Considering overall team statistics, Hinsdale had a good season leading their opponents in every phase of the game. Hinsdale had 94 first downs to their opponents 62, 2,455 total yards gained to their opponents 1,497, and 483 plays to their opponents 430. Overall, the Devils scored a total of 206 points to opponents 94. Seventy-seven of these points were scored in the third quarter.

Beitler led the team in passing completing a tremendous 60 per cent (41-67). He passed for a total of 639 yards and ten touchdowns.

Bergstrom led the team in pass receiving with 14 receptions for 234 yards. Tackles were led by Mark Winter with 68.

Entering the following LaGrange game as the underdogs, Hinsdale tied the Lions in a rough 7-7 battle. Coach Dickinson stated he would long remember the last few minutes of this game when Hinsdale had possession deep in La Grange territory only to fumble the ball and any chances for a conference championship, let alone a first in state ranking.

The next two games were relatively easy for the powerful Red and White. They rolled over Proviso West on Homecoming and Riverside Brookfield a week later by respective scores of 42-6 and 27-7.

VARSITY SWIMMING

"WE'RE # 1!"

The Hinsdale Red Devil swimming team walked away with the Illinois State High School swimming title scoring 167 points over second place Evanston's 118½.

The Hinsdale swimmers entered the state preliminaries with the highest number of qualifiers, 14. During the prelims, Doug Malin and Bill Deeley, Devil divers, gave the team a tremendous boost with Malin leading the pack by 30 points and Deeley finishing a creditable ninth. The next surprise was the outstanding performance by Hinsdale's 200-yard medley relay of Mike Pringle, Bruce Haffner, Warren Barr and Bill Halladay. They finished in an unexpectedly high seventh place. Scott Gardiner took seventh place in the 100-yard butterfly; Gary Ferraro, HT freshman, placed eighth in the 400-yard freestyle and Bill Lauritzen capped preliminary scoring by finishing ninth in the 100-yard breast stroke.

In the finals John Kinsella and Brian Knox started off the scoring by placing third and fourth in the 200-yard freestyle with times of 1:50.7 and 1:50.9 respectively.

Then came the defending state champ, Charlie Nieman, whose opponent had set a state record the night before and was favored. But Charlie, with his usual burst of speed and competitive spirit, won the race and broke the state record with a new mark of 2:03.7 for the 200-yard individual medley.

Sophomore Bill Lauritzen swam a fine race to finish fourth in the event. Bill's time was 2:07.9.

Doug Malin started the diving event with a lead, came on strong and became the 1967 state diving champion with 377.40 points.

In the 100-yard butterfly event, Mike Pringle swam a :55.2 and was able to take home third place points for HT.

Rich Anderson, competing against last year's second place finisher, took an early lead and never relinguished it. His first place time was :48.6.

Hinsdale's outstanding freshman, John Kinsella, took second place in the 400-yard freestyle with a time of 4:00.

HT wrapped up the meet when the 400-yard freestyle relay team of Charlie Nieman, Andy Robinson, Brian Knox and Scott Gardiner took second in a close finish.

Coaches Don Watson, Lief Erickson and Randy Cunningham can take great pride in a finely coached and expertly peaked team. The red and white clad Guard gave immeasurable support. The feelings of everyone were best expressed when, being introduced on television, Coach Watson said, "I'm from Hinsdale and couldn't be prouder."

VARSITY GYMNASTICS

Under a superb job by head coach Tony Canino, Hinsdale's Varsity Gymnastic team made themselves known around the W.S.C. as they captured their first conference championship in their brief 10 year history at H.T.

Coming into the crucial meet, Hinsdale, Proviso West, and York were all knotted up in a first place deadlock with identical 6-1 records. However, with Hinsdale scoring 98½ points to York's 92 and Proviso's 74, the Red and White came out to be number one.

In the first event the Red and White won it with a total of 17 points. Placing for them were Clyde Gilliam, Mike Peterson, and John Schramm taking third, fifth, and eighth respectively.

The sidehorse saw the Devils place only two athletes Hoffman third, and Krupicka ninth, while taking 10 points. However, when it came to the horizontal bars they tallied for 20 points. The individual conference championship went to Neil Krupicka.

In the parallel bars Hinsdale managed to place two in the top ten. Jim Altree and Tom Johnson finishing sixth, and ninth respectively.

The last event, tumbling, proved to be the deciding event as sophomore Ward Black won the individual championship followed by Mike Meisner in the third, and John Schramm in the fifth.

VARSITY WRESTLING

The Hinsdale Red Devils wrestling team ended the season with a 2-13-1 record.

The season was far from successful but there were several bright spots throughout the season. One was the success of junior Mike Beyer who will be back next year. He finished the season with a 13-5 record. Beyer also advanced to the sectional but was defeated in the opening round. Three other matmen made it out of the district: Dave Mathews, Mark Winter, and John Imrie. None of the boys were able to capture a title at the Sectionals; Mathews was eliminated following his 7-0 victory by an Evergreen Park boy, 4-3. He ended the year with a fine record of 22 wins and 13 losses.

The odd occurrence of our wrestlers losing by a single point burst into reality when John Imrie attempted to better his second place finish. A year before, in State, Imrie won his first match but was hit by the whammy of one point when Pratt from West Chicago upset him by the score of 8-7. However, Imrie broke the jinx in his consolation match, when he pinned his opponent. Mark Winter, the other wrestler from Hinsdale to survive districts, was beaten by a score of 4-2. With these four defeats, the Red Devils ended their Varsity competition for 1966-1967. Imrie ended the season with an overall record second only to Mathews and the deficit was only one victory. Imrie ended with a 21-3 record.

However, Mathews and Imrie were the only members of the squad to win all seven Conference matches. Mike Beyer was next with five. Winter ended the year with a 4-0 Conference record and a 6-2 overall record. However, Winter spent a good portion of the season recuperating from a broken leg, so he came on fast to gain a spot in the Sectional finals. The team Conference record was 1-5-1 and was enough to keep the Red Devils out of the cellar. In the Holiday Tournament we did very well, placing third among eight teams. West Chicago led the pack with 93 points, Oak Lawn was next with 88 and then with 57 points, and H. T. wrapped up third.

VARSITY BASKETBALL

The Red Devil basketball team improved on last year's 10-14 record to the tune of 18-6 this year.

With an 11-3 conference record, the Red Devils took second in conference. They had a chance at a tie for first going into the final game at York, but due to poor officiating, lost the game, 56-50 to the high-flying Dukes.

Hinsdale won their first two before losing to Proviso East 71-51 at Maywood. The Devils then went on to score five straight victories before Christmas including an exciting 66-64 win over Downers Grove North at Hinsdale.

Hinsdale then entered the Proviso West Holiday Tournament. The Devils beat Morton West 77-63 in the first game to meet Proviso East in the quarterfinals. The Pirates set a shooting percentage record the next night when they beat Hinsdale 84-60.

Unperturbed by their loss, the Red Devils won two games against Proviso West, where they scored their season high 92 points, and Riverside-Brookfield to carry a 6-0 record to the York game at Hinsdale. The Dukes were also 6-0 at this point. The game was close until the third quarter when York's Derrick Grove hit six straight from over 25 feet out to give the Dukes a 13 point lead. Hinsdale was unable to overcome this deficit, falling to the Dukes 74-60.

Hinsdale bounced back again to gain four straight wins until coming to Downers Grove North. On the Trojans home court, the Red Devils lost to a fourth quarter surge, 61-57 to endanger the red and white's hopes of a conference championship. However, LaGrange defeated the Dukes the next week while Hinsdale clobbered R-B. The stage was set for the conference championship game. The game was close until Hinsdale's Tom Lee fouled midway through the fourth quarter and York then went on to win 56-60.

The following week, the Devils entered the State tournament. Hinsdale's hopes rose as the Devils murdered Wheaton Central 91-49, and two nights later killed second ranked Glenbard East, 82-58. However, Hinsdale had to face York for the right to go to the sectionals. In the first two minutes of the ballgame, Hinsdale's rebounders Pete Wellington and Tom Lee picked up two fouls a piece. The Dukes took over the boards to pile up a six point first quarter lead and later the game 69-60. A disappointed Coach Rexilius sighed afterward that Lee must have remembered the York game the week before where his fifth foul had meant the game.

Starters for the Devils were seniors Parker Wellington, Tom Meyers, Tom Lee, John Kayser, and junior Bob Neilly. Late in the season senior Bill Krajelis replaced Neilly at guard. Hinsdale showed a good bench as Bill Dickinson and Doug Beitler proved to be capable replacements.

VARSITY TRACK

Varsity track includes two phases, during the winter their is Indoor track, and in the spring Outdoor track. Though finishing a fair fourth place in Indoor track, Outdoor track is expected to give a better position in the conference with the addition of the Basketball players.

This year's outstanding team members include, Randy Lipschulz, throwing the shot-put past the 50 feet mark, Mark Stalberg, passing the 6 foot mark on the high jump, Ray Venoski on hurdles, Larry Grandy on distance jumping, and Ken Doer, Dan Whitesides, Bill Krajelis, and Chuck Busch on the mile relay team. Outstanding sophomores on the Varsity team are Bill Kimble on hurdles, and Curt Palmer.

Workouts for the team are exceedingly hard like other sports, workouts include jogging over to Timber Trails or Hinsdale South three times a week, the around trip distances are about 7 miles. Other workout activities include, weight lifting to strengthen leg muscles, and short sprints for practice on good starts.

Most of the running exercises have been conducted at the Proviso West Fieldhouse due to the poor indoor facilities at HT. Our track does not have the length or space for running because it occupies the space under the auditorium, or players have the danger of running into supports and their is little room for high jumping due to the downward slope of the ceiling.

Head coach this year is Coach Ohl, in charge of the Varsity team.

VARSITY BASEBALL

Varsity baseball began soon after HT's Hoppsters were eliminated in the state tournament. Because of a long winter, the boys were forced to hold some of their practices inside.

While inside, the squad's practice was limited to picking up light ground balls, pop ups, and running up and down stairs. The idea of this was to enable the Devils to be in shape for the first game on April 5, against Morton East. The varsity team had its hopes for a good year and a strong fight for the top.

FRESHMAN BASEBALL

In the summer league, the Red Devils finished high and they based this year's outcome on that performance. Coach William Trescott was confident of the team's success and looked forward to the season.

Returning lettermen bolstering the squad this year are pitchers Bob Kaufman, Kirby Layman, and Doug Beitler. Other returning lettermen are Wally Knorr, Bob Neilly, Ron Spevak, Ray Phelan, and Bill Pavesich. Together, with the new juniors, these boys hoped to cap a championship.

IMP CHEERLEADERS

Feet are stamping, voices are yelling, when Imps lead "Thunderation".

After attending at least 3 out of 5 workshops from March 21-25, 1966, freshman girls tried out for six Imp Cheerleading slots on March 30th and 31st. Girls who were eligible with a 3.0 average, excluding any exam grades, felt the tension build before the six names were posted the next morning. The girls who performed at two different tryouts for eight different judges each night were judged on cheerleading skill, pep, personality, neat appearance, jump, voice and eye contact.

The cheerleaders purpose is to promote and sustain HT's spirit, pep, enthusiasm, and honor. The girls practice at least once each week after school. Not only do they polish up regular cheers, they make up new chants and cheers, too.

At the beginning of the school year, incoming freshman girls attended workshops for Imp alternate tryouts. The Imp squad, chosen the spring before, taught the girls the cheers for tryouts. Out of a large group, two girls were chosen; Janet Hurd and Cindy Young.

Fighting off the challenge of the York Barons, the Hinsdale Central frosh-soph gridders tied Glenbard West for the West Suburban Conference championship with a 21-13 victory in Hinsdale.

Hinsdale head coach, Dave McGann, cited several factors in the Imps successful season. He pointed out that the Imps out-scored their opponents 151-25 in seven conference games. Of the seven games, five were shutouts with only two teams, York and Glenbard West, scoring on them.

In Praising the Imps defense, the head mentor remarked that Ken Braid, Linebacker and defensive captain, played especially well as he intercepted six passes, running two back for touchdowns.

McGann also included the Sparkling play of Herb Brich tackle, as a major factor.

In finishing with a 6-1 record the Imps lost only to Glenbard West by a 12-7 score in conference play. In losing the first game of the season to New Trier 20-6, the coach stated that many faults were corrected that improved the teams performance greatly. Coach McGann also stated that depth and injuries were the two biggest problems faced by the Imps this year.

Hinsdale makes an end sweep.

FRESHMAN FOOTBALL

The freshman Devils finished their season sharing the number two spot in the West Suburban Conference with L.T. after defeating Riverside-Brookfield. This gave the team a 4-2-1 record for the season.

Starting the season with both the "A" and "B" teams dropping to York. Coach Canino made sure the mistakes were not repeated in the Maine East game, and they weren't. Both teams while washed the Demons.

The Devils then went on to upend Proviso West and Riverside-Brookfield and tie with LaGrange. This tied the Devils for second place.

FROSH-SOPH CROSS COUNTRY

This Fall the Frosh-Soph Cross Country team has had little to cheer about in their meets. They haven't won any contests, with an 0-7 record in conference play, and they have had their full share of hardships. Injuries have plagued them, with two of their best runners, Curt Hutchins and Wray McKinzie, on the sidelines at times, besides other team members complaining about pulled muscles. Another problem is that only two experienced Sophomore harriers came out this year. This really hurts a team's chances when it only has a couple of experienced runners in competition.

The one bright spot of the season came on October 3rd when Hinsdale was victorious in a non-conference meet with Morton East.

FRESHMAN SWIMMING TEAM

Hinsdale won their first state championship of the year, when the Freshman tankers overwhelmed all competition in the Hinsdale Freshman Invitationals. The mythical state crown was awarded to Hinsdale who accumulated 73½ points. Following the winners were New Trier East 44½, Evanston 41½, Deerfield 37½, and Thornridge 31½.

According to head Devil coach Don Watson, Hinsdale annually invites the top teams in the state to the meet and the winner is the accepted freshman state champion. This is the first year they have won the event since 1963, New Trier filling the gap since then.

Hinsdale had two double winners in the meet who also recorded two records. John Kinsella won the 100 yard individual medlay with a time of 1:00.1 and changed the record books in the 100 yard freestyle with a time of 0:50.4. The guppies other super-star, Gary Ferraro, won the 150 freestyle with a time of 1:24.6 and won the 400 yard freestyle with a record breaking time of 4:09.2.

Warren Barr recorded Hinsdale's other first in the 50 yard freestyle stopping the clocks at :24.6. Two relay teams also added first place points to Hinsdale's score as the medley relay team of Kevin Wright, Charles Dick, Tom Coley, and Chris Jackson finished the 200 yard in 1:57.6 and the 400 freestyle relay team of Don Dale, Paul Mueller, Jackson, and Marty Nieman broke the standing record for the event with the new time of 3:51.0.

Additional placers for Hinsdale include Nieman, 150 free, fifth; Barr, 50 back, second; Mueller, 50 free, third; Dale, 100 free, third; Dick, 50 breast, third; Steve Burrows, diving, fifth. Watson reaffirmed that this swimming group was the best to enter Hinsdale and they proved it. Coach Cunningham got a lot of work and dedication from his team.

With fourteen wins and two losses, this year's sophomore gymnastics team ranks as one of HT's best. West Suburban Conference champions, the Frosh-Soph whipped all other conference teams in the conference championship meet at the end of the season with a total of 129 points. Second place York scored 69 points, 60 points shy of Hinsdale. With this talent, a little experience will make HT's sophomore gymnastics team a powerhouse in their senior year.

H-Club

The H-Club was considerably more active this year than in the past. Under the leadership of the sponsors, coaches Gene Strode and Tony Canino and the officers; Tom Meyers, John Kayser, Mark Winter, Ken Koranda, and Partker Wellington, the letterman's club sponsored the Cryan' Shames dance in the fall and sold school sweaters in the spring.

An attempt to locate a club room was made. One was found but it could not be secured for the future. Therefore, the money that was made from the Cryan' Shames dance was used to purchase fifty red blazers. An additional thirty will be purchased next year. The blazers are worn by the participants on all of the varsity teams. Besides sponsoring these special events the H-Club bought oranges for the varsity and visiting varsity teams at the home football games. During the basketball season the lettermen ran the coat check room, sold coffee, and held the ropes after the games. The club met more regularly this year, meeting on the first Tuesday of each month. Boys are eligible for membership in the club after they receive their letter in a sport, but are not members until they pay the membership fee of a dollar.

Guard

Composed of 70 sophomores, juniors, and seniors, the Hinsdale Guard is the backbone of the swimming organization. Serving the school year and the six-week summer learn-to-swim program, the guards also assist in the P. E. classes during the swimming unit. Guarding for all school functions held in the pool is another obligation. The first-place float, "Trackdown", was built in October; and the annual Guard Show, this year entitled "My Watch Is Ticked Off" was presented in November. The show was centered around the idea of a time-trike, which was able to go back through history. The originality of the historical themes chosen produced the best show ever. A pair of dancing skeleton, Ulysseus, and Salem witches were a few of the characters. The traditional clown and tandem diving rounded out the show. It was brought to a close by the senior boy guards who presented famous historical characters such as Samson, Hitler, Blackbeard, George Washington, L.B.J., and Shadow, in T.V. commercials. During the swimming season which started in December, the girl guards timed at all the home meets and supported the victorious team at away meets. With the help of the Boosters' Club, red and white timers' uniforms were purchased. In March, those freshmen and sophomores interested in trying out for Guard are taught lifesaving. Those with above average ability in lifesaving and swimming skills are interviewed and chosen as Guards on the basis of interest in swimming and Guard projects throughout the year and leadership ability. A 3.0 average is required with P.E. teacher and counselor recommendation. Membership pins are given to all new guards and service pins are given to all deserving juniors at the Guard banquet held at the end of the school year. The graduating seniors pick the Head Guards for the following year after all the guards have voted on the juniors. The new Head Guards are then announced by the previous Head Guards at the banquet. Head Guards for '66-'67 were Marty Coultrap and Mike Pringle; their assistants were Ginny Green and Bill Halladay. The sponsors, who work just as hard for the organization as the guards themselves, were Don Watson, Leif Erickson, and Randy Cunningham.

AQUA-ETTES

Cn April 29, 30, and 31 the Aqua-ettes presented their annual water ballet entitled "Broadway Bubbles Burst". They took selections from "Sound of Music," "Carousel," and "Funny Girl," and arranged synchronized ballet-in the water.

Under the direction of their sponsor, Miss Katzman, the Aqua-ettes started late in December to begin hours of work needed to make this year's show the best ever.

In Fall tryouts are held and officers are elected. Requirements for being an aqua-girl are ability to do a surface dive, back dolphin, an option, ballet leg, and ballet dive. Tryouts are held again in spring.

This years' officers were Ellen Harrison, president, Barb Williams served as vice-president, Linda Verner, treasurer, and Mary Campbell, secretary.

GIRLS ATHLETIC ASSOCIATION

G.A.A. offers a variety of afterschool activities to any girl interested in sports. Fall brought about archery, tennis, and free swim. Winter sports were bowling, badminton, and volleyball. With spring baseball, free swim, and gymnastics, tennis and archery teams were added.

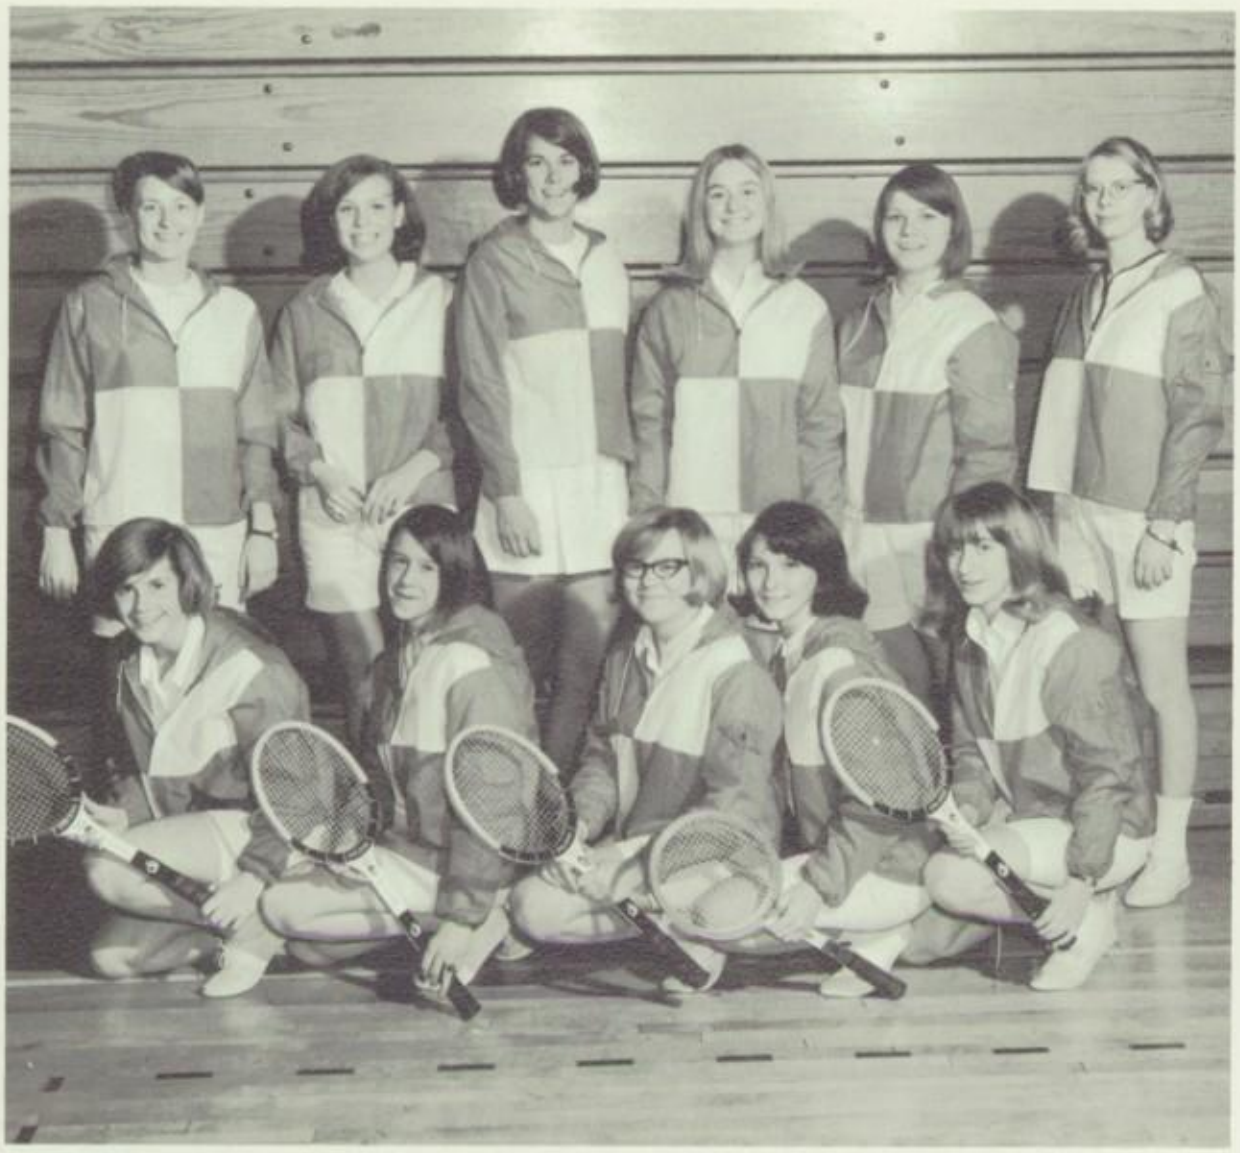
Besides afterschool sports G.A.A. sold concessions at the home football games. With the $1200 they made, G.A.A. awarded the most deserving girl a scholarship to be used at the school of her choice. The remaining amount went for the remaining activities.

The 1966-67 G.A.A. board was Paula Bowling, president; Sandy Douglas, vice-president; Ellen Greaves, treasurer; Pat Reddmann, secretary, and Nancy Huber, social chairman.

Badminton

Left to Right-Row 1: D. Schulz, B. Hardy, J. Blair, Miss Dekon, J. Vaughn, J. LeBeck, J. Walin, J. Smith. Row 2: C. Carlen, R. Anders, S. Blair, K. Purcell, J. Gamble, S. Douglas, P. Bowling, P. Reddmann, E. Greaves, J. Trainor, K. Hamilton, P. Cyphers.

Tennis



Left to Right-1st Row: J. Vaughan, K. Rathje, L. Magnusson, J. Walin, L. Goldfine. 2nd Row-Miss Katzman, R. Anders, D. Knox, C. Carlen, E. Greaves, J. Moldenhauer.

Tennis has changed from just a boy's competitive sport to a girl's. The G.A.A. tennis team had played R-B, York, L.T., Willowbrook, Naperville, Glenbard East and West ranking them 3rd in the conference. Miss Katzman, the sponsor, gave the girls helpful hints while Sara Finlay, singles captain, and Ellen Greaves, doubles captain, gave them encouragement.

Archery

Left to Right-Row 1: K. Anglemeier, J. Anglemier, B. Stannard. Row 2: Miss Feuss, D. Disosway, J. Gamble, C. Willoughby, J. Smith.

Archery has become popular in the past years with girls. The G.A.A. archery team made this a competitive sport also. They played LT, Glenbard East and West for a record of 4 and 0. The girls are proud of this as it is their 3rd year in competition. Diane Disosway was the highest pointer with 1399 points, according to Miss Feuss, the sponsor.

Row 1: D. Osborn, K. Conway, M. Theidel, J. Whitner, G. Allison, M. Pfuetze, N. Engler, T. Phillips, D. Boyers, B. Grabner, M. Mohr. Row 2: T. Boutin, M. Jones, B. Bates, B. Haigh, C. Danly, M. Campbell, E. Ely, K. Close, M. Koupa, M. Mitchell, J. Faulkner, J. Layman, A. Fox.

POM PON GIRLS

At every home football and basketball game, the pompon girls, donned in their red and white uniforms, prance onto the playing area during half-time to inspire and promote spirit. Chosen late in the spring, the twenty-five girls practice to perfection many dance routines. The routines are done to the music of the varsity band or, in some cases, to a phonograph.

To be a pompon girl, a girl must have a 3.0 grade average, be a sophomore, junior, or senior, and have lots of pep. The pompon squad is a new idea at Hinsdale; this was only the second year of existence at H.T. These spirited girls usually practice twice a week during the school year, on Tuesday and Thursday. The club sponsor is Varsity Club, and the faculty sponsor is R. Stewart.

Hm. . .poor Kennedy. What a terrible job!

Ring around the rosy!

We entered Hinsdale High School in the fall of 1966 as typical "frosh." After observing the result of our efforts to build a float, we decided upon our motto: "If at first you don t succeed, try, try,..."

We did more than try however, to make up for our fourth place homecoming float. We held a boys vs. girls bake-sale that was a success due to our tasty culinery creations. Needless to say, the girls won hands down. Our Original Christmas decorations together with the Toy Drive for underprivileged children, provided a chance for everyone to get into the Christmas spirit. Our sale of "70" jerseys not only lended great financial support, but also enhanced our class spirit. We went all out on Pep Week and shared first place with the Juniors for hall decorations.

She thought I was a fine young man.

"Now you could take Basketweaving II after Sandbox I, but that would give you two solids in a row . . ."

Springtime set the mood for an enthusiastically attended class party and another unified effort to put money into our treasury - a car wash. The school year was brought to a climax as the hard-working class members went on a picnic.

In the sports field, our young men were willing to sample all facets and, by "playing to win," upheld HT's fine tradition and established a more than respectable name for our class.

In the Fall of '66, we had gathered as Freshmen from the four corners of District 86. As the year gained momentum, so did we; in our friendships, in our class spirit, and in our love and loyalty for Hinsdale High School.

"Yes, well the other Mrs. Davis called and said Tad wouldn't be in.

SOPHOMORE CLASS BOARD

With a year of helpful experience behind us and led by new officers, the Sophomore Class began the school year with great enthusiasm. Our class officers were as follows: President, Chris Porterfield; Vice-president, Andy Maxwell; Secretary, Peg Cousins; Treasurer, Shelly Moeller; Social Chairman, Pam Sayers.

The first class project was the building of a Homecoming float, which was well coordinated and completed with great speed. Following this were various moneymaking projects such as the mum sale, a basketball mixer, and a bake sale.

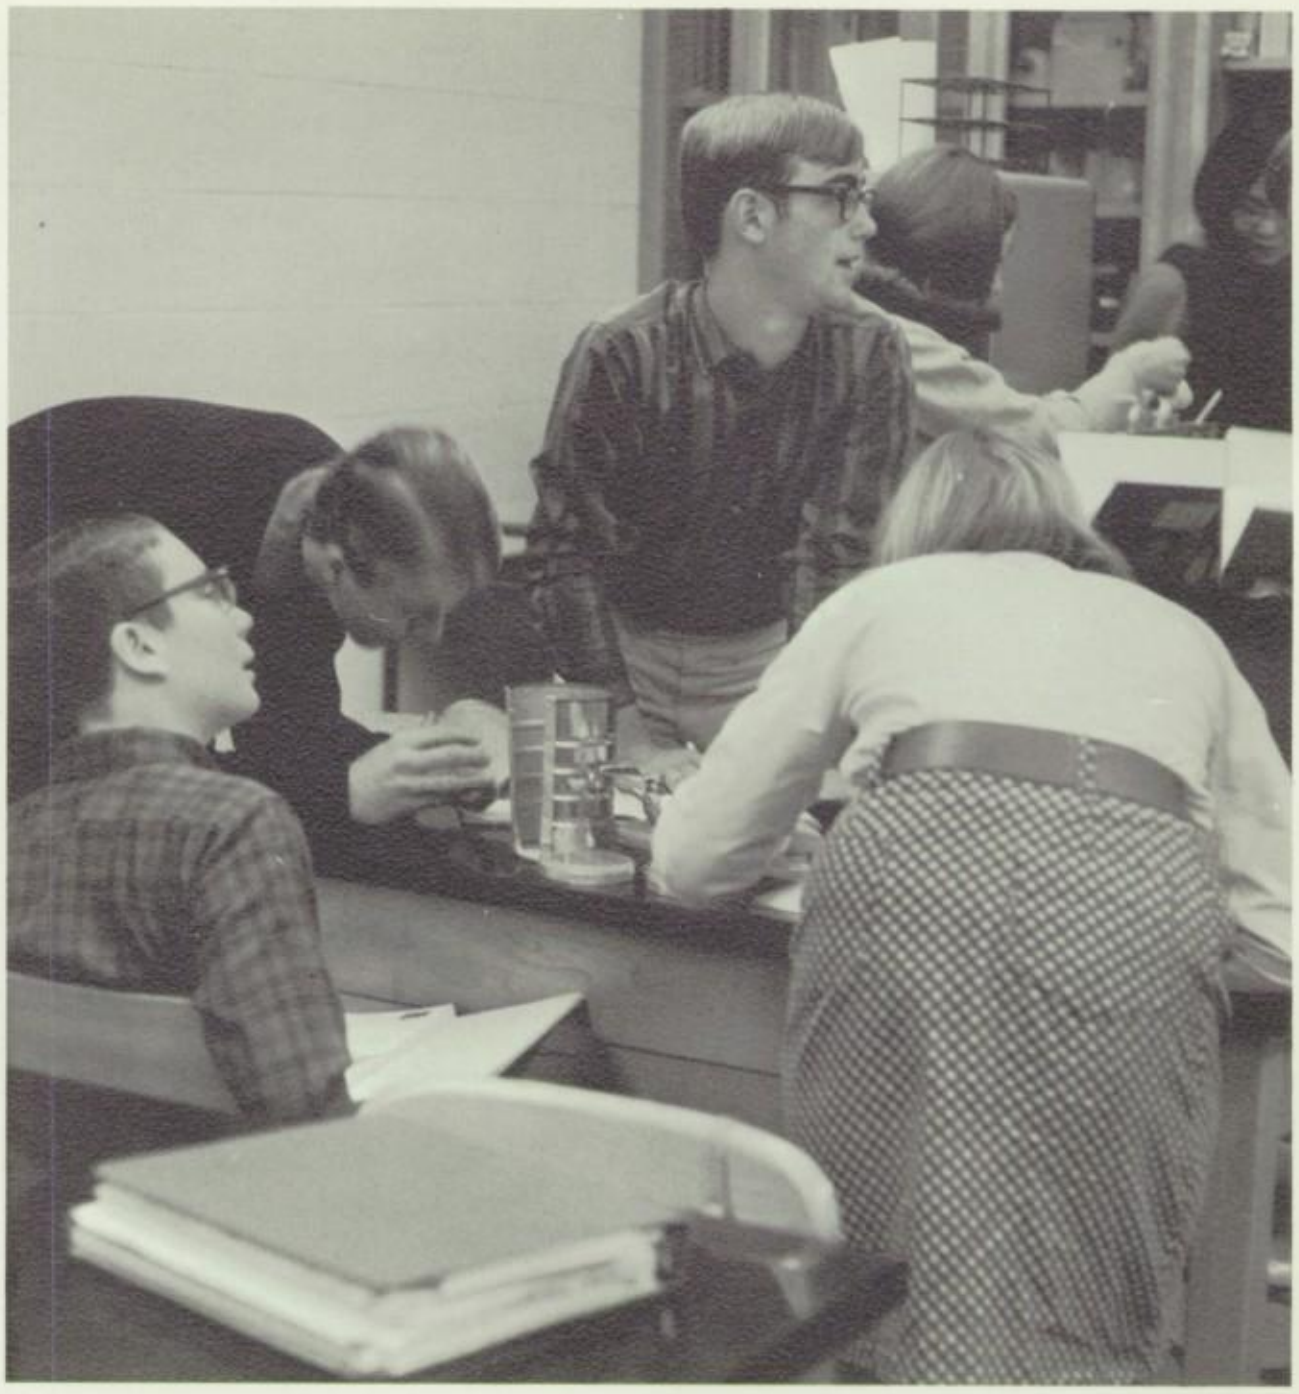
"t;HE qqiU,ck Br;ow?n ff*OX jUum;PEd ov#E¼rr t+hE La"cY DdOlg?????"

Sophs . . .

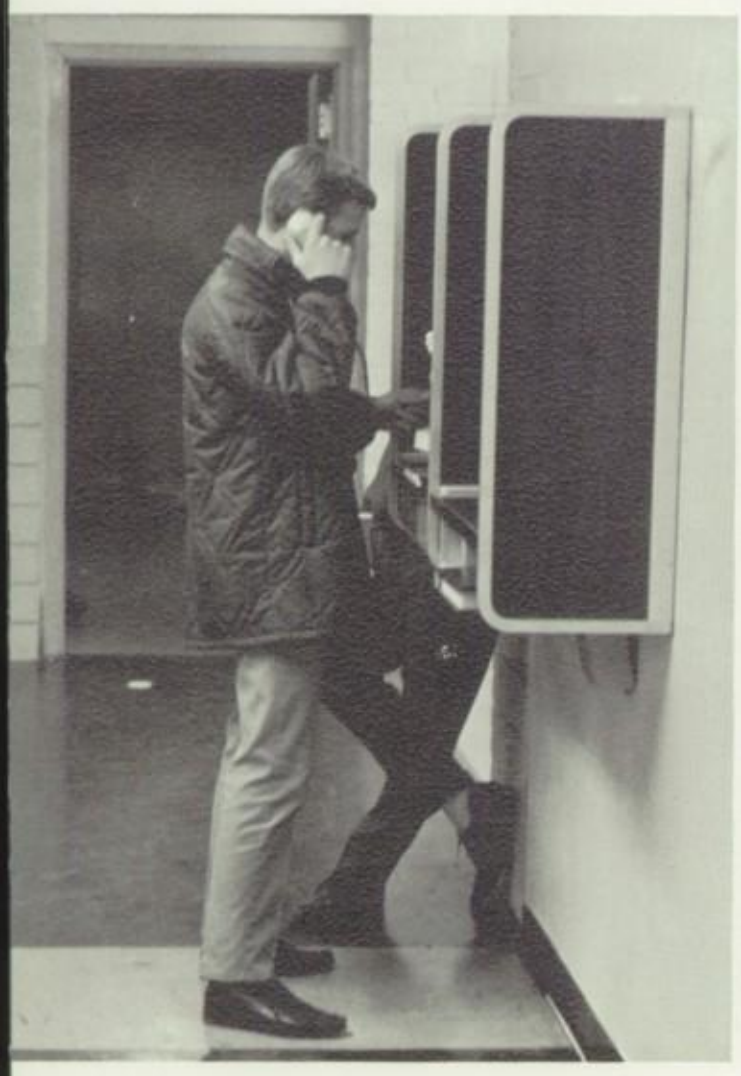
The biggest undertaking of the class was the ordering and sale of '69 football jerseys. All these events helped to bring our treasury up to $547.00; it had started out as $33.00.

In sports, the Sophomore boys accomplished miracles by pulling a co-champion football title and scoring a first in conference gymnastics. Academically we rank very high with a large number of students being on the high honor roll. Completing tha activities of the class was the participation in extracurricular activities by many students.

We look forward to the next two promising years with great expectations and new vigor.



"Ah, Mr. Feld, sir....about that $200 microscope you said to be very careful with...?"



"Yes, that's right. He won't be coming to school today because of a severe cold."

So you're strong. Put the blackboard back on the wall.

Sixteen members of our class were voted to be "superlative" out of a class of 670 this year. They were elected from the categories of Best Dressed, Most Likely to Succeed, Most Humorous, Friendliest, Handsomest (boys) Cutest (girls), Best All Around, Most Talented, Class Wolf (boys) and Class Flirt (girls). Nominees were selected by the senior class board the day before elections. A preliminary ballot was passed out, and each board member was asked to turn one in, adding names he thought would be appropriate. These were in turn screened so that no one person appeared in more than one category, and a final ballot was drawn up. Seniors voted during their lunch hour on Thursday, March 16, and results were announced at the end of 6th period.

Three years ago the practice of having senior superlatives was discontinued, to which subsequent senior classes replied "Bring them back!" Last year saw the return of these ratings, with a general air of approval from the student body. This year, again, we sought to pick the "cutest girl" and "handsomest" boy, as well as the other superlatives. The idea has been criticized, with valid reasoning to support the criticism; but the general consensus of opinion seems to be to keep it. It's not always easy to know who should be nominated for what--but it's more than fun, and everybody has a good time thinking about it, both before and after.

SENIOR SUPERLATIVES

Lisa Johnson — Most Talented
Tom Meyers — Most Likely to Succeed
Marcia Theidel — Class Flirt
Jim Hess — Handsomest
Parker Wellington — Best All Around
Lorel Rezek — Most Humorous
Dale Fischer — Class Wolf

SENIOR CLASS BOARD

And as the sun sinks slowly into the West, and the Burlington railroad heaves a sigh of post-post-prom relief, the class of 1967 begins the transition from venerable setter of high school pace to insignificant peon-on-campus. But, whatever tomorrow brings to each senior, not one can deny that this year was his year. Whether finding identity in the anonymity of 300 seniors football jerseys; having finally worked the secret of winning Pep Week down to a science; being gloriously "Branded" as the first place class float during Homecoming; separating the men from the boys and pitting them against the women in a dog-eat-cookie contest of baking skill and salesmanship; getting a trifle misty when realizing "our days in high school won't be long;" proving that seniors eat pie faster, ride tricycles better, and generally caper with more class than any other group in school; sweating through SAT's, seventh semesters, and parking lot full of sudsy cars; looking eagerly forward, and then fondly backward, to the most glorious Prom in the history of seniorship; or making that last, lone walk towards a diploma, this year belonged and still belongs to the class of nineteen hundred and sixty-seven.

year. John
Eisel

Its been a rock in geometry Bill. See you next year.
Evan O'Donnell

In addition to being an all around great guy, it takes a certain kind of courage to get involved in H.T. to the extent you have, and I really admire you for it.

Good luck + stay out of trouble.
